

HBETA REJECTS 3.5%

November 29, 2007

Huntington Beach Elementary Teachers Association

TEACHERS UNANIMOUSLY REJECT THE DISTRICT'S OFFER OF 3.5%.

The Bargaining Team made presentations at Dwyer, Peterson, and Sowers. At the conclusion of the presentation, attendees were surveyed on whether to accept or reject the District's offer. Members overwhelmingly rejected the offer and agreed that by turning down the 3.5% offer, they committed to support the bargaining team to achieve an Affordable, Comparable, and Equitable settlement. The first action is to let the school board know that they have the opportunity to offer a fair settlement prior to the winter holiday. Demonstrate your support of the bargaining team by attending the school board meeting on Tuesday, December 11.
